BIG CHEEZ FUNDRAISING FOR YOUR CHURCH OR SCHOOL ORGANIZATION!

2012 FUNDRAISING INFORMATION

Please view attached updated January 2012 fundraiser information which reflects current product pricing to you, to your customers, and your selling profits.

With our past and current economy, it's a challenging balance to keep our rising costs in check. Our goal is to still promote volume and keep these earnings attractive for you.

Naturally, our product quality remains the same and offers an excellent way for your customers to support your organization with a product they can use for a meal.

Minimum applies for free delivery to outside of our immediate area. (See Sell Sheet)

We also have initiated an easy fundraising goal sheet to maximize your profits, offering a **FREE PIZZA PARTY** if you meet your goals!

Please feel free to call me personally for your questions, concerns, or comments.

Thank You and Good Selling!
